PETITION TO INTERVENE

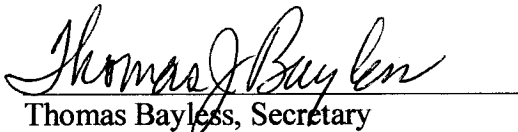

The Callawassie Island Property Owner's Association (CIPOA), Inc. at 101 Utility Court, Callawassie Island, SC 29909, hereby petitions The Public Service Commission State of South Carolina to permit it to be an intervenor in the matter of the Application of CUC, Inc. for Rate Increase under Docket No. 2005-87-W/S. CIPOA itself and 415 resident members are currently water and sewerage customers of CUC, Inc. so it has a vital interest in this matter and is acting in on the membership's behalf.

CIPOA's position in this proceeding is twofold in that it desires to see that CUC, Inc. remains a financially viable utility with the continued ability to serve its customers while at the same time keeping the water and sewer rates at their lowest possible level. It is anticipated that a CIPOA presentation would require no more than forty (40) minutes at any of the hearings held on this matter.

CIPOA has designated Thomas J. Bayless, Board Secretary and George B. Flegal, Jr. as it's primary representatives in this matter and requests that all communications and correspondence be addressed to Mr. Thomas J. Bayless, CIPOA Board Secretary, 101 Utility Court, Callawassie Island, SC 29909.

Thomas Potrykus, President
Callawassie Island Property Owners Association, Inc.

Thomas Bayless, Secretary
